

OUR MISSION

Providing care in a Christian home for women in transition.

FACE PAINTING, BLESSINGS & BUTTERFLIES

Hosanna Home has participated in the Macy's Community Shopping Day for the past 3 years. We've been especially blessed by this fundraiser during the past years, as one of our tickets was drawn in 2009 and 2010 for the \$500 shopping spree winner.

This year we tried something new at the Shopping Day—we had a table for face painting—one of our graduates, Sande created many masterpieces! Using a kit from Michael's Art supplies and some eye makeup, she helped many little girls and boys and few bigger kids, too wear a special face for shopping.

The true blessing came as our volunteers told shoppers about the mission at Hosanna Home and handed out brochures to help our community discover the great treasure God has created in this ministry.

As it turns out, Hosanna Home was the only non—profit to sell over 100 tickets which qualified us to participate in the financial incentive of the day.

We actually sold 200 tickets which equals \$2000 for taking care of homeless women and we just received the wonderful news

that the incentive, equaling \$4,900 will be received by Hosanna Home from Macy's Corporate office .

Isn't God awesome? He even works through Corporate America to bless His work!!!

**THANKS, MACY'S
AND**

**THANKS TO OUR
WONDERFUL
GOD!!!**

Graduation Night for Two

Sande Mahorney with Director Linda Patterson

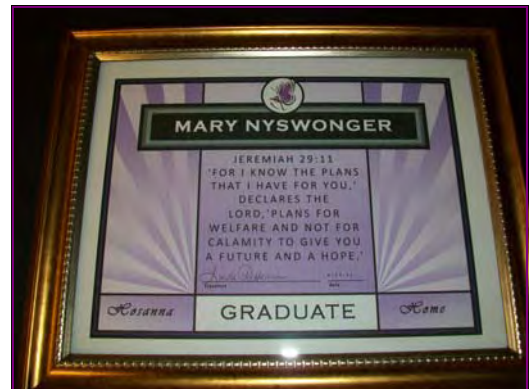

On April 29th, Sande Mahorney graduated from Hosanna Home with honors!

She came to us in October 2010 from Northern Nevada Adult Mental Health after trying to harm herself because in her words, "I forgot God loved me." Sande continues to live at Hosanna Home full time, now serving as our Weekend House Manager.

The shame and blame of her previous life was washed away at her baptism at Living Stones Christian Church in January and she is growing in the Lord and His Word. We see that He has a plan for her life! He knew it all along— He just had to get her to see it, too.

Mary came to Hosanna Home in May 2010. She was depressed and scared, but she loved Jesus and had no other options. She had lost her job, her unemployment had run out and she'd lost her hope. She stayed with us at Hosanna Home for one year! It was a year of growth, training and a new outlook. During the year, she got two jobs—and God opened some very big doors for her. In a time, when there was no money for schooling, Job Opportunity in Nevada (JOIN) paid for her to attend TMCC for Certified Nursing Assistant schooling and for her state licensing test. Mary has learned things are VERY different when you roll with God!!!

More Graduation Photos

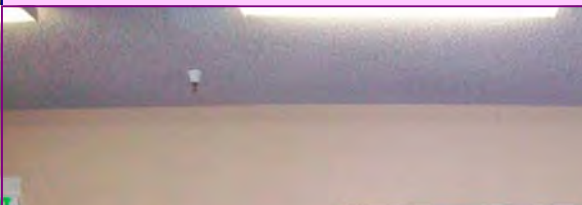

Sande's support system sits behind her

Sara—Mary's Care Partner

Diane—Sande's Care Partner

BAPTISM—A COMMITMENT TO WALK LIKE JESUS

She came to Hosanna Home on February 26, 2011
Alberta was baptized at Summit Christian Church on Saturday, June 4th

Mary on her new moped—Takes her State Certified Nursing Asst. Test on June 18th—Pray for her!!

Gloria is going to school to do nails. She treated all of our gals to manicures & pedicures!

NEW STAFF AT HOSANNA HOME

Deborah Ward joined the Hosanna Home team on May 1st as our new House Manager. She served for 20 years as a Church secretary at a Vineyard Church in California before God brought her to Nevada to care for her elderly Mom. Little did she know, as she waited for God to show her where she would go next, He was preparing her to care for a lot of women—at Hosanna Home. Welcome, Deborah!!!

Also joining our staff in May is Sande Mahorney as our Relief House Manager. Sande graduated in April and chose to remain as a live-in weekend manager while she keeps her regular job Monday—Friday. She will begin school in August to train as a Pharmacy Technician, paid for by Soroptomists of Washoe County!!! God is so awesome in how He leads us into His plans!!!

IN HIS LOVE

*Linda Patterson,
Executive Director*

*"Therefore, there is now no condemnation for those who are in Christ Jesus, because through Christ Jesus the law of the Spirit of life set me free from the law of sin and death."
Romans 8:1-2*

When we have a graduation, our whole world begins to change. When we have a staff change, it feels like the change is overwhelming.

This season God gave us a month with just one resident to prepare our new House Managers. That season has ended and we've begun getting a lot of calls and have added two new residents in one week.

The most difficult mountain we climb is to help the new residents with their health issues. We could certainly use physicians and dentists

to help us care for the devastating effects of homelessness—but I am certain of one thing! The Great Physician knows our needs and He cares very much for these dear ladies that He brings through our doors.

I praise the Lord for His strength and wisdom because each woman who comes to Hosanna Home has unique issues, needs and difficulties. Each one responds to the love and care in her own way. We could never understand or help if the Holy Spirit did not lead us. I also

praise the Lord for the wonderful volunteers who come each week to train, mentor and assist these little ones.

Esther's Closet is becoming a miracle all by itself. We will highlight some of the incredible ministry stories in our next newsletter.

Let me just say that God is at work there with women who are not homeless, but have just as great a need for the Master's touch as our residents. We see Him at work! We praise His Name and we thank you for your support!!!

VOLUNTEERING-NOT JUST FOR GROWN UPS

We received a call from a very proud Mom—with an offer to donate two finished Afghans to Hosanna Home from AnnaMarie, her daughter. AnnaMarie is the founder of the "Connecting Youth to Crochet for Charity" Project. This endeavor was approved by the Washoe County School District Superintendent and supported by her family, the school principal (Mrs. Sally Scott in photo below) at Hunsberger Elementary where AnnaMarie is enrolled in the School Within a School (SWAS) program. Her class teacher (Mrs. Leona Cameron) who is also her staff sponsor launched the program in September 2010. AnnaMarie taught second graders to crochet to complete these beautiful afghans. She presented these treasures to us at Hosanna Home on June 3rd.
